MOVIE DAILY UPDATE DATASET

TEAM PROJECT

ARITSARA 6610412001

PHORNPAILIN 6610412006

A stylized title card for a movie dataset. It features a red curtain at the top with a yellow spotlight shining down on a blue background. A yellow star with a camera icon is on the left, and a clapperboard is on the bottom right. The text 'Movie Daily Update dataset' is centered in the spotlight.

Are You ready?

The image features a stage-like background with red and orange vertically striped curtains on either side of a white central area. At the top, there is a black horizontal bar. In the center of the white area, there is a red rounded rectangle containing the text 'Topic #0'. Below this, the text 'Create Table' and 'movie & mov' is displayed in a black serif font.

The background of the slide features a stylized illustration of a stage curtain. The curtain is composed of vertical stripes in shades of dark red and brown. It is pulled back on both sides, revealing a white rectangular area in the center. The top and bottom edges of the white area are framed by solid black bars.

The background of the slide is a stylized illustration of a stage. It features two large, heavy curtains on the left and right sides, drawn back to reveal a white rectangular area in the center. The curtains have a vertical striped pattern in shades of dark red and brown, with a yellow tie-back on each. The top and bottom of the slide are solid black.

COUNT หนังที่ฉายต่อปี

The background of the slide is a stylized illustration of a stage. It features two large, heavy curtains on the left and right sides, drawn back to reveal a white rectangular area in the center. The curtains have a vertical striped pattern in shades of dark red and brown, with a lighter tan or gold-colored band near the bottom where they are tied back. The top and bottom edges of the white central area are framed by solid black horizontal bars.
